SETSHABA RESEARCH CENTRE

Setshaba Research Centre (SRC) is a South African, Non-Governmental/Non-Profit Organization in the field of clinical and social scientific research. The centre is located in Soshanguve, within the City of Tshwane, Gauteng. SRC was founded in 2004 and aims to be a world-class health research organisation, benefitting local communities while making a global impact.

Setshaba Research Centre needs to fill the following position and would like to invite suitably qualified candidates to apply.

Ref. No: SRC

Clinical Director

Fixed term contract: 12 Months (Contract subject to possible renewal depending on funding and/or project duration)

Experience and qualifications:

- Medical degree/ Bachelor's Degree in Medicine and Surgery
- Registration with HPCSA
- Strong management experience with clinical functions within a research portfolio or environment
- Clinical Research background with Principal Investigator experience is essential
- An excellent understanding of lab, pharmacy and nursing processes and flows is advantageous

Key responsibilities include:

- Serve as a key liaison between the Executive Committee and the Clinical functions of the organisation.
- Serve as a key liaison between the organisation and external sponsors of research projects
- Ensure that the clinical functions are streamlined and effectively managed to support the strategic objectives of the organisation
- Oversee the study investigators and provide relevant training, mentorship, and guidance to the investigator team in order to develop the overall site research capacity
- Will be required to plan strategically, effectively, and flexibly around study-specific requirements and the site's operational requirements
- Maintain a balanced and productive equilibrium in the clinic, across all clinical functions (this would include liaison with nurses, lab, and pharmacy teams)
- Ability to respond to crisis and urgent situations with flexibility, maturity, and resourcefulness
- Contribute towards the research and scientific output of the organisation

The candidate will be based at Setshaba Research Centre in Soshanguve

REMUNERATION

Setshaba Research Centre offers competitive market related remuneration packages according to Qualifications and Experience.
